

## **Welcome to the 2018 EASA Golf Tournament!**

**This year will be very similar to last year. We will have a shot gun start for our outing. Our groups will be spread throughout the course and all start at 8:30am. Please check in no later than 8am. After everyone has played all 18 holes we will have lunch provided and announce the winning team. The format will remain the same as last year – Golf Scramble.**

**Prizes and lunch will be served promptly after the golf tournament. If you would like to donate a raffle or hole prize please contact Jesus Fuentes. We will recognize all who donated. Donations are not required to participate.**

**Remember to pay for your golf when you pay for your EASA registration. Please let me know if you have any questions or concerns.**

### **RULES:**

- 1. Each member of the team tees off from the starting hole. In a scramble tournament, the team's opening hole could be any hole on an 18-hole course, depending on the assignment by tournament organizers. Players can tee off with the golf club of their choosing—not necessarily a driver.**
- 2. The best tee shot is chosen through general consensus of the scramble team. The group can decide the best tee shot based on any criteria they choose. Usually, the best shot is the longest drive that lands in the fairway, though the team may choose a long tee shot that landed off the fairway in the rough if there is a decent lie.**
- 3. The spot of the best tee shot is marked with a golf tee or ball marker. Players must pick up their golf balls and hit from within one club length of the newly marked spot.**
- 4. Team members continue selecting the best shot until one player hits the ball in the hole. The team score is the total of the best shots.**
